Hartfeldt, Will H.

Claims 7, and 9-11 were noted as being linking claims linking the inventions of claim sets 1, 2, and 3.

In a telephone conference with Examiner John Pak on September 23, 2005, claims 4-6 were clarified as being in claim set 3 rather than claim set 1.

Applicant hereby elects claim set 3, claims 4-6 and 19-23, without traverse, for prosecution in this action. Claim sets 1 and 2, comprising claims 1-3, 8 and 12-18, are withdrawn pending resolution of the patentability of linking claims 7 and 9-11.
